Comments: 4   comments are nice
organized and easy to read
nice & accurate java documentation

Style: 3   effective white space, vars make sense
code is a little hard to read
too many "unnecessary" methods

Robustness: 4   error handling is good
it compiles ✓
Seems to work w/ RR drivers

README: 3   concise, clean, to the point
Could have put the reason why
you chose all of the methods
and the iterator instead of
selectively choosing essential methods,
