Code review by White Flag.

There-is-no-pathetic-card-in-my-Deque-Brown

3.5 Comments

Good comments
Very specific
helped in understanding code

Can add runtimes to all
methods only addFirst has runtime

4 Style

consistant whitespace throughout
QQKachoo.java

var. names accurately reflects
what is stored inside them

4 Robustness

good job in including the exception
handling part

4 ReadMe.md

nicely organized
nice how you linked the Deque API page
